

# GEOMIN SCHEDULE AT GLANCE

OCT 11			
START	END	Seminar A Amwaj Meeting Room	Seminar B Dhahran Meeting Room
8:30	9:30	Onsite Registration	
9:30	11:20	Session 1: Graham Begg	Session 1: Dr. Sergio Espinosa & Dr. David Khoza
11:20	11:35	Coffee & Networking Break	
11:35	13:25	Session 2: Dr. Jun Cowan	Session 1: Dr. Sergio Espinosa & Dr. David Khoza
13:25	14:25	Luncheon	
14:25	16:25	Session 3: Dr. Frank Bierlein & Dr. Honza Catchpole	

COLOR KEY	
Opening, Closing & Exhibition Inauguration	
Panel Sessions	
Technical Sessions	
Poster Sessions	
Onsite Registration, Coffee Breaks & Lunches	
Seminars	

OCT 12			
START	END	Al Qasr Ballroom A & B	
8:30	9:30	Onsite Registration	
9:30	10:15	Grand Opening Ceremony	
10:15	11:15	Strategic Executive Panel	
11:15	11:35	Exhibition Inauguration Ceremony	
		Coffee & Networking Break	
11:35	12:35	Expert Panel 1: Mining Leaders	
12:35	13:35	Expert Panel 2: Technology Providers	
13:35	14:35	Luncheon	
		AL QASR BALLROOM A & B	POSTER AREA
14:35	15:35	Strategic Panel 1: Innovations in Technology for Sustainable and Responsible Resource Exploration	Poster Session 1: Advanced Exploration Technologies Part 1
15:35	16:35	Technical Session 1: Inversion & Processing	Poster Session 2: Advanced Exploration Technologies Part 2
16:35	16:55	Coffee & Networking Break	
16:55	18:15	Technical Session 2: Future of Technology & Workforce	Poster Session 3: Innovation & Future Technologies

OCT 13				
START	END	Al Qasr Ballroom A	Al Qasr Ballroom B	Poster Area
9:00	10:00	Technical Panel 1: Innovations in Mineral Exploration – Advancing Geophysical Techniques with AI & Machine Learning	Technical Session 3: Improved Knowledge of Arabian Shield	
10:00	11:00	Technical Session 4: Geophysics in Greenfield & Early-stage Exploration	Technical Session 5: Geoscience Data Integration for Mineral Exploration	
11:00	11:20	Coffee & Networking Break		
11:20	12:40	Technical Session 6: Inputs from Data Fusion, ML & AI	Technical Session 7: Sustainability in Exploration and Mining	
12:40	13:40	Technical Session 8: Critical Mineral Exploration Part 1	Technical Session 9: From Data Acquisition to Discovery: Innovations in Early-Stage Exploration	Poster Session 4: Advanced Exploration Technologies, AI & ML
13:40	14:20	Technical Session 10: Early-stage & Greenfield Exploration Strategies		Poster Session 5: Unlocking Regional Potential
14:20	15:20	Luncheon		
15:20	16:40	Technical Session 11: Enhanced Discovery Potential	Technical Session 12: Critical Mineral Exploration Part 2	
16:40	17:00	Coffee & Networking Break		
17:00	18:00	Technical Panel 2: Key Geological Inputs in Metallogenic System Studies	Technical Session 13: At Project Scale	

OCT 14				
START	END	Al Qasr Ballroom A	Al Qasr Ballroom B	Poster Area
9:00	9:20	Opening Address: Future Trends in Lithium Demand: Powering the Renewable Energy Transition		Poster Session 6: Early-Stage & Greenfield Exploration
9:20	10:20	Technical Panel 3: Advances in Lithium Prospecting		Poster Session 7: Critical Mineral Evaluation
10:20	10:40	Coffee & Networking Break		
10:40	11:40	Technical Panel 4: Geoscience Perspectives on Critical Minerals	Technical Session 14: Challenges in Early-Stage & Greenfield Exploration	
11:40	12:40	Technical Session 15: Environmental Sustainability in Mining	Strategic Panel 2: Leveraging Data and AI in Exploration Process - Organized by Women in Mining Association	
12:40	13:20	Technical Session 16: Advanced Exploration Seismic Methods	Technical Session 17: Advanced Exploration -Downhole	
13:20	14:20	Luncheon		
14:20	16:20	Technical Session 18: At Regional Scale	Technical Session 19: Innovative Methods to Enhanced Geological Understanding	
16:20	17:00	Closing Ceremony
